bdevelopers.in

Building trust. Creating landmarks.

A modern civil contractor profile for developers, builders and project teams.

About Bhoomi Developers

Bhoomi Developers provides complete construction and site execution services. We undertake all construction related work including internal finishing, external development, plumbing, sewerage, DI/GI utility support, repair, renovation and turnkey site support.

Work Approach

- Neat workmanship
- Practical supervision
- Work-front planning
- Timely handover support

Residential Construction

Civil work, finishing, repair and project-site manpower.

Commercial Construction

Execution support for active work fronts and contractors.

Architecture & Planning

Drawing coordination, scope review and work sequencing support.

SERVICES

Complete Construction Work Scope

One team for mixed civil work fronts from foundation support to finishing and external development.

01 Civil Construction

RCC support, masonry, plaster, concrete, repair and renovation.

02 Tiles & Marble

Flooring, wall tiles, marble fixing, polishing and final finishing.

03 External Development

Interlocking tiles, paver blocks, pathways, drains and hardscape works.

04 Plumbing & Sewerage

Water supply, sewerage, chambers, testing, trenching and backfilling.

05 DI/GI Utility Lines

Pipe supports, sleeves, utility trenches and related civil support.

06 Turnkey Site Support

Manpower, tools, supervision, material movement and execution planning.
